Dear, Folk arts center,

We are Esme whitman and Sophie Aljourmi. We are gr.4 students at Jeanne Sauvé French Immersion Public School. With the help of our class and the students at Jeanne Sauvé, we were able to collect 711\$ to help the new coming Syrian refugees and their families.

We are hoping that this money can help many families in their new home in Niagara.

Thank you for helping us give it to those in need.

Sincerely, Esme + Sophie
