Dear Ethno-cultural Association Members, Sponsors, Community Partners,
and long time supporters of the Niagara Folk Arts Festival,

After polling our ethno-cultural partners this week and combining that with the
State of Emergency declaration for the Province of Ontario, it has been
decided that the

2020 Niagara Folk Arts Festival has been postponed until later in 2020

We will be re-assessing the social climate in the months to come and will re-
evaluate having the annual Festival or not in 2020, based on viability and
support from our members, sponsors and community partners. I invite you to
check back on our websites, and on our social media sites for any updates in
the coming months.

Thank you everyone for your continued support. Special thanks our ethno-
cultural association decision makers who had to make the tough call this
week, and applaud their leadership in these most unparalleled times.

Should you have any questions, please do not hesitate to contact us.
